Louisiana Assistive Technology Initiative Regional Centers provide the following **FREE** services. Contact your local center for additional information.

Professional Development

LATI provides in-depth training on specific areas of AT are designed for newcomers as well as experienced professionals looking to expand their perspective of AT.

AT Assessment Assistance

LATI assists the school systems' staff in conducting AT assessments through job-embedded coaching and training.

Consultations

LATI provides consultative services to address AT issues on individual students or address general classroom AT needs.

Technical Assistance

LATI provides technical assistance to school systems to address difficulties with AT devices, hardware, and software.

Short-Term Equipment Loans

LATI provides a FREE short-term loan program to assist school systems in conducting AT assessments and/or recommending assistive technology for students.

DESIGN YOUR OWN TRAINING

If you don't see anything you like, customize a training to meet your specific needs. The training can be after school (1 ½ hours), ½ day (3 hours), a whole day (6 hours) or online. These trainings are beneficial to all populations including speech therapists, OT's, special education teachers, general education teachers, administrators, pupil appraisal, parents, students, and other service providers.
